

CRY CRY DARLING (Bill Monroe)

I IV I
Cry cry darling, that's what I'll do

I V
If you should leave me with the blues

I IV I
Cry cry darling, that's all I do

I V I
Cause you're the one that's in my heart.

V I
For me there'll be no moonlight

II V
If ever we should part.

I IV I
Cry cry darling, that's what I'll do

I V I
Cause you're the one that's in my heart.

Cry cry darling, my eyes will cry
And never dry if you should go.
Cry cry darling, when shadows creep
I just weep all night I know.

You know how much I'd miss you
If ever we should part.
Cry cry darling, that's all I do
Cause you're the one that's in my heart.
