

IT'S MIGHTY DARK TO TRAVEL

Key of A

(A, D, E)

I, IV, V

Or capo on the second fret and play G shapes.

(G, C, D)

(CHORUS)

I

It's mighty dark for me to travel

I IV I

For my sweetheart she is gone

I

The road is rough and filled with gravel

I V I

But I must journey on and on

To me she was a little angel

Sent down to me from God above

T'was on the day that I first met her

That I told her of my love

(CHORUS)

Many a night we stole together

Talking of our love so fair

My love for her will never vanish

For I know I need her there

(CHORUS)

Travelling down this lonesome highway

Thinking of my love and home

Knowing soon we'll be together

She's the only love I've known.

(CHORUS)
