

THINK OF WHAT YOU'VE DONE (Stanley Brothers)

IV I
Is it true that I've lost you

V I
Am I not the only one

IV I
After all this pain and sorrow

V I
Darling think of what you've done

I
Heart to heart dear how I need you

V I
Like the flowers need the dew

IV I
Loving you has been my life, dear

V I
I can't believe we're really through

I'll go back to old Virginia
Where the mountains meet the sky
In those hills I learned to love you
Let me stay there till I die
